Description

Plot of land for the construction of a building inserted in a new urbanization in Loulé.

This lot has a total area of 291 sqm and a gross construction area of 894 sqm.

It is intended for the construction of a building for housing consisting of 8 apartments with 3 bedrooms each + basement.

The lot also has access to public water, sanitation and electricity services.

Located in a recent urbanization of the city of [Loulé](#), near the Continente Hypermarket, just 1 km from the ethic center of Loulé and 2 km from Loulé Municipal Park.

As well as 6 km from [Almancil](#) and 16 km from both [Vilamoura](#) and [Faro](#), the capital of the [Algarve](#).

This is an area with good access and constant growth.

It is therefore an area with high potential.

In the vicinity there is a good public transport network and several trade spaces and essential services.

If you wish, you can purchase this lot as well as our project management services to assist you in the construction of the building.

We have several partners in all areas to provide a personalized service, complete and fully adjusted to the needs of each client.
